FOREIGN EXCHANGE Government Bonds and County and City securities bought and sold.

In its treatment of customers the most liberal policy is pursued consistent with safety and sound banking, and we invite correspondence or personal inquiry in connection therewith.

## FINANCE AND COMMERCE.

## FINANCIAL

NEW YORK, Sept. 18.—Money—Easy at 1 1/2%. Cash offered 1 1/2.

Prime paper—5 1/2%. Sterling bills—Steady, 4 1/2%; demand 4 1/4%.

Governments—Easier. Railways—Quiet.

Stocks—Strong at the opening for Union Pacific, Lackawanna, Jersey Central, Western Union and St. Paul. Prices advanced 1 to 1 1/2% for the latter and Union Pacific, which sold up to 4 1/2% before the first call. Coal shares rallied down to 4 1/2%, upsetting the whole market. From this time until late in the day speculation was irregular, and in the main weak. Union Pacific, however, was in better demand on President Adam's report for the fiscal year, and in the afternoon led an advance, selling up from 484 to 500. Buying of this stock frightened the smaller buyers into covering. Near the close coal shares again rallied, and the market left off weak. Compared with last night, closing prices are 4 1/2% lower, except on Canada Southern, Central Pacific, Delaware & Hudson, Missouri Pacific, Northern Pacific and Union Pacific, which were 4 1/2% higher; Jersey Central, however, was 4 1/2% lower.
